Financial Policies for Kelly L. Geoghan, DPM LLC

Thank you for choosing Kelly L. Geoghan, DPM LLC Podiatry as your foot care provider. We are committed to providing you with quality and affordable health care. Please read the following office payment policy and feel free to ask us any questions that you may have. Once you accept this policy, kindly sign in the space provided. A copy will be provided to you upon request.

1. Insurance. We participate in most insurance plans. If you are not insured by a plan we participate with, payment in full is expected at each visit. If you are insured by a plan we participate with but do not have an up-to-date insurance card, payment in full for each visit is required until we can verify your coverage. If your insurance changes, please notify us before your next visit so we can make the appropriate changes to help you receive your maximum benefits. Knowing your insurance benefits is your responsibility. Please contact your insurance company with any questions you may have regarding your coverage.

2. Co-payments and deductibles. All co-payments and deductibles must be paid at the time of service. This arrangement is part of your contract with your insurance company. Failure on our part to collect co-payments and deductibles from patients can be considered fraud. Please help us in upholding the law by paying your co-payment at each visit.

3. Non-covered services. Please be aware that some - and perhaps all - of the services you receive may be not covered or not considered reasonable or necessary by Medicare or other insurers. You must pay for these services in full at the time of visit. We will not bill your insurance for non-covered services.

4. Proof of insurance. All patients must complete our patient information form before seeing the doctor. We must obtain a copy of your driver's license and current valid insurance to provide proof of insurance. If you fail to provide us with the correct insurance information in a timely manner, you may be responsible for the balance of a claim.

5. Insurance Claims submission. We will submit your claims and assist you in any way we reasonably can to help get your claims paid. Your insurance company may need you to supply certain information directly. It is your responsibility to comply with their request. Please be aware that the balance of your claim is your responsibility whether or not your insurance company pays your claim. Your insurance benefit is a contract between you and your insurance company.

6. Referrals. It is the patient's responsibility to ensure the office receives required referrals prior to your appointment. Failure to do so may result in your appointment being cancelled or rescheduled. Our office does not keep track of referrals. Please make sure any referral on file is valid prior to your appointment or you may be responsible for the visit.

7. Nonpayment. Invoices are sent out every 30 days. Your prompt payment will assist us in keeping the cost of healthcare down. If your account is over 90 days past due, you will receive a letter requesting immediate payment. Partial payments will not be accepted unless otherwise approved by our Billing Department. Please be aware that if a balance remains unpaid, we may refer your account to small claims court and you may be discharged from this practice. If this is to occur, you will be notified by regular and certified mail that you have 30 days to find alternative podiatric care. During that 30-day period, our physician will only be able to treat you on an emergency basis.

8. Cancellation Policy. Our office requires at least 24 hours notice for all appointment cancellations. If you are unable to provide 24 hours' notice, you may be billed a \$25.00 charge for the missed appointment.

9. Requests for Medical Records. If a patient request a copy of their medical records, there is a fee of \$0.75 per page plus the cost of shipping and handling.

10. Returned Checks. There is a fee of \$30.00 for all returned checks.

Assignment and Release: I hereby authorize my insurance benefits to be paid directly to the physician. I am legally responsible for any amount which is not paid by my insurance even if my physician is participating with my insurance company. I also authorize the physician to release any information required to process the claim. I understand that accounts are considered past due if no payment is received within 30 days of billing. If payment is not made within that time for services rendered, I agree to pay any and all necessary cost of collections, including but not limited to attorney's fee of 35% on the balance outstanding, court cost and service of process fees.

My signature below is my acceptance of this agreement.
